## **DETAILED ACTION**

### ***Oath/Declaration***

1. In accordance with 37 CFR 1.175(b)(1), a supplemental reissue oath/declaration under 37 CFR 1.175(b)(1) **must** be received before this reissue application can be allowed. Applicant may meet this requirement by submitting USPTO form PTO/SB/51S.
2. Claims 1-30, 40, 42 and 59 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251. See 37 CFR 1.175. The nature of the defect is set forth above.
3. Receipt of an appropriate supplemental oath/declaration under 37 CFR 1.175(b)(1) will overcome this rejection under 35 U.S.C. 251. An example of acceptable language to be used in the supplemental oath/declaration is as follows:

“Every error in the patent which was corrected in the present reissue application, and is not covered by a prior oath/declaration submitted in this application, arose without any deceptive intention on the part of the applicant.”
4. See MPEP § 1414.01 and 1444(II).

### ***Allowable Subject Matter***

5. Examiner notes here that all of the claims in this reissue application are in condition for allowance with the exception of the required supplemental oath or declaration.

***Conclusion***

6. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a). See MPEP 1444(II) where it states making an action final in a reissue is proper where a supplemental oath or declaration is required and the application is otherwise in condition for allowance.
7. A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
